“ Love my beautiful best friend always and forever. The most beautiful angel that shared her laugh, her love, and her life with anyone who crossed into her path. She shared god's love and spread his unconditional affection to anyone who listened, she shared her possessions with anyone who needed, and she opened her soul to anyone that cared enough to love her the same. I will never forget you my friend, I will never let go of the lessons you taught me my friend, and I will never leave you as my soul is tied to you my friend. Forever Always and in Heaven My Friend.
