“ Suddenly, I wanted to see about my 6th grade teacher in Salina, Mr. Frederickson, who was a life inspiration. I'm saddened that I'm too late to show my appreciation to him for his inspiration and guidance of that school year nearly 60 years ago. My folks continued to know him as Rev. Frederickson, a family friend.

My condolences and prayers to his wife & family. Bill Ferguson, a Teacher now in Santa Fe, NM

“ To my Fredrickson Family - I hope the passage of time helps you find comfort and peace. This time is especially difficult, one which my Uncle Jim helped many others through with grace and compassion.

The time I spent in Eskridge with you will always be special to me. It was a rare opportunity and one which I've always cherished. The recurring memories have been sprinkled throughout my life since and I've found myself revisiting those memories frequently these past few weeks. I have been reminded how warm and loving that time was.

I love you all.

“ To Ann and Family---
I first knew Jim when we were both students at KWU, then through the years as we both served in the (then) Kansas West Conference. Later when we lived in Topeka, we again connected. I always appreciated Jim's positive spirit; his courage and determination to overcome any obstacle. He was a true and faithful servant of the Lord. Our sincere sympathy from Joy and me at this time. May God's Grace sustain you in the days and weeks ahead.
Sincerely,
Rev. Don Wilson

“ To Ann and the entire family:
I attended University UMC for a few years while Jim was the pastor there. He was a good pastor - very friendly and caring. He performed the wedding for my husband and me 34 years ago, and shared the fact that his own wedding anniversary was just 2 days before our wedding; I always think of him and Ann on our anniversary.
We are so sorry for your loss.
