

John Perry Davis

November 12, 1950 - June 8, 2024

John is survived by his children, Trisha Davis and Chris Davis; 3 grandchildren, Devin, Haley and Rainey. Our parents were loved so much. Our mom passed 3 years ago on the 30th of March and my dad passed on the 8th of June. They did not judge and they made us all feel so important. They were made to be together forever, they were the best parents there could ever have been. They will be together forever as we are combining their ashes and spreading them over the mountains in Colorado.
