The waitress placed your plate in front of you and said, "Sir, how does that look to you? You said real dark because I'm blind. You truly had your clown suit on that day!! It's those kind of memories that keep me going!! We shared a special bond that I will cherish forever!!! We had our differences as most parents have with their kids but we always worked it out and you let me be right....sometimes. Rest in peace and don't scuff up those "golden" streets with your Stacy Adams" and spill coffee down the front of your white robe!! Love you forever!!*
