“ Since you've been gone I've tried so hard to keep myself busy so I wouldn't hide in my room and cry. I been working nonstop & I got off one of my jobs tonight thinking about you. Currently I'm crying under my blanket while I type this, reminiscing. Auntie, I need you. I miss you more than anything and I would do anything to get you back. The pain is unbearable, at this point I'm lost. I don't know where to go from here or what to do. I miss you so much auntie and I just want you back with us 😞. Nothing is the same & mom misses you so much I can tell. Auntie? I miss you so much 😞. I love you ❤️😞
Rest in love beautiful ❤️

“ My sister, my best friend, my guardian angel in the sky. I love you, I miss you, and I need you to guide me through life now...as you always have. Hugs and kisses to the sky sissy...
