

Julia Kay Watkins

October 29, 1960 - August 18, 2025

Julia Kay Watkins, known to many as "Jules", passed away peacefully in her home on August 18.

She was a mother, friend, die hard Jayhawk fan, and most important to her - she was Granny. Relishing every moment with her grandbabies, that was her source of joy.

Julia cared deeply about those she called friends and always wanted to help those in need, even when she had little to spare. "If you have some, then you have some to share"

Jules worked in insurance sales, she was a Realtor, a general contractor for home remodeling, she became a professional driver, and owned and sold her own business.

But her real life's work and what she was most proud of was raising her son. She was PTA president, volunteered for everything, never missed a sporting event or concert, and made every holiday (and every day) special. From leaving notes in backpacks and suitcases to planning elaborate scavenger hunts - she was a super mom.

Julia also played volleyball, flew a fighter jet, owned a Harley Davidson, and loved good music and a cold beer. She enjoyed life her way and kept very few regrets. "Some of it's magic some of it's tragic, but I had a good life all the

way"

Jules is survived by her son, Chase Watkins, daughter-in-law, Caprice Watkins, and grandkids Connell and Piper.
