“ Aunt Kathy (mom) I will be sure to go to the boat and play the old man and the Baron just for you, in your memory and ours together. Many nights we spent together cussing the machines and winning bonuses. I love you and miss you dearly. I wish I could have came up and spent one more weekend with you; staying up all night playing video games, wearing matching pj's, and eating spaghetti red! I have your recipe, and I'll remember you every time I make it, and I'll enjoy every bit of it. I'll go to Hollywood and play the buffalo's for you and think about when I won that 80\$ off 25 cents! I miss you so much! My heart cries out but I know you know you want me to smile and be joyful and not mourn so I'm trying. Watch down upon me from heaven with uncle mark, mom, dad, grandma, and grandpa. I love you all! Lorrie-beth
