May you all be together and watch over your family and friends until we meet again. Though it is a hard day, I know you are no longer in pain and are up in heaven hugging your mom and daughter.

Kenneth is survived by his mother Jeannie Cole; four sisters, Becky Keltner, Valerie Howard, Christina Miller, Sonja Beebe; brother, Micheal Cole; 6 nieces, 10 nephews and 24 great nieces and nephews.

Thank you Uncle Nenny for teaching me important values and life lessons. Whenever I look back on my happiest memories, you are always part of them. Thank you for always being the one that I could go to when I needed someone to talk to. Thank you for being the best father figure a niece could ask for, your Puss will always love you forever and a day.
