

Kevin Michael Graff

December 9, 1993 - November 15, 2021

Our family is deeply saddened to announce the passing of Kevin Michael Graff. Kevin was born on December 9, 1993 and met with his Lord on November 15th, 2021. He is survived by his mom, Maureen Miller, his sisters, Lindsey Froehlich, Diana Graff, and Jessica McEvers, along with his extended family of nephews, aunts, and uncles. Anyone who knew Kevin knew that he was a special soul who loved helping people and enhancing their lives with his gentle spirit. Kevin loved the freedom in riding bikes, the beauty of music, and spending time with his family and friends. Kevin was an animal lover who doted on his dog, Heidi. They shared a genuinely touching relationship and you rarely found one without the other. She was his anchor, his safe space, and his dearest companion. As a child, Kevin loved exploring the world around him and making connections with the people in his life. He faced insurmountable odds when faced with a traumatic brain injury and displayed courage in the face of adversity; everyone who knew him was touched by his quiet strength and determination.

The family asks that in lieu of flowers, donations be made in Kevin's memory to Innovative Minds KC, a program that works with those recovering from a traumatic brain injury. The family wants to extend a special note of gratitude to Kevin's caseworker, Alicia McKnight-Burns.
