

Kimberly "Randi" A. Wade (Wagner)

May 16, 1965 - December 21, 2022

Kimberly (Randi) A. Wade (Wagner) of Plattsburg MO, Randi was born to Barbara and Glen Wagner in Marin county California. The family moved to Flagstaff Arizona when she was in junior high. She entered the US Navy in 1983, and was released from active duty in 1987. She married Roger Wade in October of 1985, and they moved to Missouri.

Randi was a registered Veterinary Technician until she was forced to retire in 1997 due to health reasons. She struggled with health issues the rest of her life, but never let that get her down. She was always positive and looking forward to the next adventure. Randi loved her animals, and she loved to travel. She has a long list of places she has traveled to.

She leaves a sister Michele in Tucson, a brother Kevin in Marshall Texas, and husband Roger, and many friends and neighbors. She will be greatly missed by all.

She was able to help others after her passing, which was very important to her.

“ Kimberly was an amazing woman. I'm so glad that she and I could live in the same state even though "we aren't a close family." She was a great cousin! It meant the world to us to be able to see her and Roger over the past years. Talking chickens, possums, squirrels, and dynamite with her and Roger always made David and I laugh. We miss her so very much and are glad that she was able to help others, even in death. So very much, Kimberly.

“ Aunt Randy leaves behind a void that can't be filled. Her presence is irreplaceable. I am heartbroken by her loss and for everyone who knew and loved her. She was so kind and funny. I will forever cherish our memories together.

“ Found a card that I believe sums up Kimberly perfectly:
*LIFE is short,
Break the Rules,
FORGIVE quickly,
LOVE truly,
LAUGH uncontrollably and
NEVER REGRET anything that made you SMILE.*

“ Kimberly will be greatly missed. It was always a good day when you opened your mailbox to find her letter. She would share stories of her garden, animals, and travels. She always had a positive bright outlook. Kimberly brought joy to many.

“ Kimberly, my little sister, was a wonderful and caring person of all people and animals. From the time she was very young she had a great love of and for animals. She had many small and large pets. She enjoyed her horse and riding, and her enthusiasm of riding continued throughout her entire life. She was an inspiration to me for her positive perspective through the challenges of her life. She will be missed by all who had the opportunity to know her.

“ Added a few pictures of my beloved little sister. She was a beautiful, kind and generous person who saw the best in every person and animal she ever met. I was lucky to be her sister and miss her so very much.

“ *Randi became a new and cherished friend this past year and I will miss her. She was a special person and our family was better with her in it. I send my heartfelt condolences to Roger and Randi's family. May light and love bring comfort and peace.*
