“ LJ, “When you were born, I remember being so worried about your tiny little ‘conehead,’ not knowing then that it was just part of your entrance into this world. You were perfect from the very beginning. You were my 1st GodSon, & I would say you got me ready to be a Momma to my own kids.... I’m so glad that my children & you & your siblings grew up together. Being your Godmother was one of the greatest blessings of my life. I have loved you from your very first breath and will carry you in my heart forever.” Love you, rest in peace 🙏
