JD

“ I was so sorry to hear this tragic news. I just recently called for sprinkler repair and heard the message of Larry’s death. I had seriously been hoping that something in my irrigation system would break, so I could get my Larry fix again. Over the last 26 years, I would look forward to Larry coming over to fix my problems....we would talk about fishing, music, sports, and playing the slots. He was good at fixing things and was my good friend...we’ll miss him terribly. Our condolences to his family.

“ Larry, it was such an honor meeting you and being a part of your family. When I married Larry's nephew Jason, he welcomed me into the "outlaw club" of in-laws to the Salamano family. He was always smiling, laughing, and cracking jokes whenever he was around. He was always kind and patient with our children, JayLiegh (12) and Parker (10) as well. I will never forget the look on his face, when Parker asked if he could call him "Grunkle". He will be sorely missed by everyone who has known him.

“ Larry was so personable that the minute you met him it felt like you had known him a very long time. He was so down-to-earth and just "a good ole boy" as we say in Texas. Always a charmer, talented and creative, and such a funny guy. We will miss your physical presence at our family gatherings but your spirt will always be with us! Love to Rose Mary and all of Larry's family...from his brother-in-law Chuck and wife Joan.
