

Leon DeWayne Powell

November 8, 1945 - December 26, 2023

Leon DeWayne Powell, 78, passed away December 26, 2023. In his younger years he went by DeWayne but after returning to Blue Springs in 2004 he started going by Leon. He was adopted by Ruth and Elywin (a pastor) Powell when he was 8. Pretty sure they had no idea what they were getting themselves into. LOL. DeWayne graduated from Blue Springs High School and then joined the Air Force. He loved competing in sports like pool, darts, corn hole and the bowling machine.
