“ *I love you grandma. I'll never forget the times you and grandpa helped me count and learn my colors with m&m's. I'll never forget your funny jokes, and warm smile. I'll never forget you popping your teeth out at me just to get me to laugh. And I'll especially never forget you being there for me in any time at hand, for all of us. It's truly sad without you here but you will be loved endlessly for infinity by your family. We love you grandma, love Nicole*
