

Linda Gueltzau

September 20, 1950 - February 9, 2023

Linda Gueltzau passed away the afternoon of Thursday, February 9th. She had been fighting since December. She was a fighter and wanted to live. She was very independent and bull headed. Never wanting help from others, she was full of love and always wanted to help people. She always saw the best in people. She loved babies, puppies, and her diet coke. Laying in the hospital fighting for her life, she would say, "bring me a large diet coke." She came from humble beginnings and would talk about eating mashed potato sandwiches for dinner, splitting wood for heat, and having over a dozen dogs at a time. She said she had to wear dresses every day to school and how her mom would make them from scrap material. She always managed the little money she had, making sure her family had what they needed, even if she had to shop at thrift stores and yard sales. She was strong, smart, and one of a kind. She was a great mother, grandmother, and great grandmother. She leaves behind daughter Teresa and fiancé Kenny, Son Charles, grandson Decody and his wife Amber, granddaughter Brittany and her fiancé Sam, Grandson Tyler, great grandchildren Joshua, Victor, Clayton, and Addison, and many others who loved her.
