Linda Sue Moody

August 15, 1947 - December 23, 2020

Linda Sue Moody, of Belton, Missouri passed away on December 23, 2020 in her home peacefully at the age of 73.

Linda was born in Windsor, Missouri on August 15, 1947 to Clyde Gipson and Elfreda (Eldridge) Gipson Polfer. Later as a teen she was adopted by her stepdad Eugene Polfer. All of her parents have preceded her in death. She has two sisters Debi (Bud) Price of Pomona, Kansas. Also, Pammy (Scott) Gibson of Olathe, Kansas.

In Linda's first marriage she had two sons Kenny (Molly) Winn of Sunrise Beach, Missouri. Her son Kenny and his wife Molly gave her five grandchildren. Joe (Nadia) Winn three great grandsons. Christina (Mike) McCoy gave her two great granddaughters. Jessica (Terry) Adams have two great grandchildren, and two step great grandchildren. James Winn and a great granddaughter and their youngest son Kody Winn. Her son Kenny proceeded her in death in June of 2020.

Linda's youngest son Keith (Kristy) Winn of Olathe, Kansas. Her son Keith and his wife gave her a granddaughter Kelsey of Olathe. A grandson Kyle of

Kansas City, Missouri.

In 1980, she married Greg Moody and they remained together until her passing. When she married Greg she became a stepmom to daughter Tammie (Julian) Marquez of Olathe, Kansas. Tammie and Julian gave her two grandchildren. Adrianna and Julian Marquez. She loved all her children and her grandchildren. They gave her great pride.

Of all her jobs she always thought being a wife, a mother and a grandmother was not only her most important but also her favorite. The favorite part of her career was managing Joe's Barn. She felt that way because that is where her son Keith met his wife.

In recent years she had been in poor health and her husband cared for her every need. We would like to thank the nursing staff who provided her hospice care. Her daughter Tammie is a RN and provided her care in the final days. For that we are grateful.

She was able to pass peacefully at home near her family. We will not be having any services. At a later date, we will spread her ashes.

“ *She was my sister my mentor. My love and memories are all great. My life growing up with her was more after she married. Spending time at her home...babysitting her boys...was just family time. Never remember her any other way but happy. Never had better food than hers. Her holiday dinners..the best pot roast ever. She had made Easter baskets one year. The boys were very young. She had gotten goose eggs. She even had an ostrich egg from somewhere. She always made things special for everyone. Spent so much time at her home no matter where it was. Spending the night ...running places with her. The only time she ever got upset with me.....I guess I always said "I don't care" she told me the first time one of the boys that said that...I would be the one in trouble. (Never said it again) hehehe..not that she heard anyways. Sorry that as we grew older as everyone does we didn't see each other enough. Linda or Sis as I called you. You will be missed but in our hearts always. Rest in peace and will see you again. Love you always,...Pammy*
