“ *Dear sweet Lisa....gone way too soon my friend. I have known you since the day your mama had you. I have so many memories of you growing up. Your life with your grandma, when you lived in Wichita, when you came back home. So many good fun memories... you were such a great person and a true servant of God. Now, you are resting easy in the midst of Jesus, your parents, your grandma, and so many more. You let your light shine on earth. ..now we will have an angel looking down from heaven.*

“ *Lisa and I have been friends for 19 years. Her daughter was born in between my 2 daughters. In the past few years we have become very close especially through her heart issues. Many birthdays with our girls and with the ladies that we have known over the years. I will treasure her friendship forever.*
