

Lisa Marie DiCapua

August 9, 1961 - March 5, 2023

Lisa Marie DiCapua was born on August 9th, 1961 and passed away from a heart-related illness on a beautiful, sunny Sunday morning on March 5th, 2023.

She lived a life of giving and gratitude & always put kindness first. She took every opportunity to soak up the sun and swim anywhere there was water. Her favorite activities always included swimming, boating, jet-skiing and a cold beer.

She is finally at peace, joining her family in heaven; Parents Alice Requena and Thomas DiCapua; as well as her four brothers; Brian, Tommy, Steven & Gye DiCapua.

She will be forever missed here on Earth by her Daughter Danielle, Son-in-law Jason Heard, twin grand-daughters Blaize and Bella, nieces Lisa Marie Jr and Kartina, God-children Meagan and Peyton, as well as her best friends; Debbie, Diane, Gavett & Elisa.

Her final wishes were to return to her favorite place on Lakeview Drive, Lake Pontchartrain in Slidell, Louisiana.

As she said it best, "I hope to show all my loved one's what Heaven is like, I will be a kind spirit to most. I'll be around!"

“ Danielle, I'm very sad to hear about your Mom. It sounds like she was happy and loved you and the girls very much. Thru losing my only child, my son here this past January 03, 2023 at the age of 27 years old, I have found missing them is the hardest part of losing someone that you loved so very much.

I remember our gatherings at your grandfather's home when your Mom was little, always lots of food, fun and laughter. Although years have gone by, every now and then I think of these times and wished that I had spent more time with my all my cousins, there is surely a bunch us!

I hope you find comfort in knowing that you have so....many of us that care and loved your Mom, even though we were so many miles away.

With Love,
Angel DiCapua

“ It was 10 ½ years ago when I arrived in Mississippi; Lee Lee (sissy) and I started loading a little U-Haul and had it hitched to her Toyota corolla. Danni the bumper in the back fender is from me trying to back up. We are on our way to Kansas City. This is where she was moving in with Gavette and Elisa. Her daughter Danni lived around the corner. I didn't realize this was going to be a full circle moment. We arrived at night. The next day Danni arrived with Blaze and Bella who were about 6 months old. This is how old Danni was when I first met her. The twins were in my lap crawling all over me just as Danni did all those years ago. It is a bond that will never be broken. I also was meeting Gavette for the first time. As Lee brought out a ride toy that had to be put together, I read the instructions while she did the work. Gavette made a comment that we complimented each other. We've been complimenting each other over 50 years of friendship. I also was welcomed by the entire DiCapua family and Gye was a part of that friendship as well. Every time we would gather, we would become the carefree 15 years olds that is still inside of me today being silly and laughing constantly. We all never met a stranger. There are so many memories to bless me the rest of my life. Lee was so pure in life as well in preparing for death. Dani found a play list of songs for her and I. I can't listen to them yet; however, I had the classic rock station playing and “Spirit in the Sky” came on. (play list) “When I die, and they lay me to rest, gonna go to the place that's the best.” When Gavette called me as Lisa lied in a hospice facility to say goodbye, her and Elisa said she opened her eyes and tears were rolling down her cheeks. The one thing I remember saying was your going to fly high in the sky and I will join you some day and your now with your family that you have ached for all these years. Fly high my Best Friend. You will be in my heart forever. “Amazing Grace” as you lived, All My Love, Debbie (Jerbie)

“ I am so sorry for the loss of your Mom! I am praying for peace and comfort for you and family, as you go through this time. Your Mom is truly loved by her friends and I was able to meet your Mom by phone with your Aunt Debbie. We became friends, as if we knew each other for a long time. I am going to miss her too. Lot's of love and hugs! 🙏. Bonnie
