

Lisa Renee Sloan

August 25, 1968 - November 10, 2017

Lisa Renee Sloan passed away the morning of Friday, November 10th, 2017 in Liberty, MO after a long fight with chronic illnesses. She is survived by her husband Richard; daughters Jessica, Miranda, and Tabitha; her beloved friend Lynn Correa; as well as numerous friends, family, and friends who are so close they might as well be family. She was born on August 25th, 1968 and lived for 49 whirlwind years on this Earth during which time she memorized more song lyrics than anyone could ever hope to know, read more books than some librarians see in their lives, and made life more colorful for anyone who came in contact with her every day. To Lisa - loving mother, beloved wife, steadfast friend, and all-around one hell of a woman - you will be remembered in the fondest of memories.
