“ When I was about 10, Uncle Dean and Aunt Phyllis were visiting grandpa at the gravel pit. Uncle Dean took all of us kids to the store and told us we could have whatever candy we wanted. I chose and received a 1lb bag of M&Ms. Score! Uncle Dean loved his family and showed it through various ways. I received chromed penny and nickel bracelets, as well as chromed railroad spikes from those that we found and gave him for chroming. He had the best laugh and gave great hugs. He will be missed.

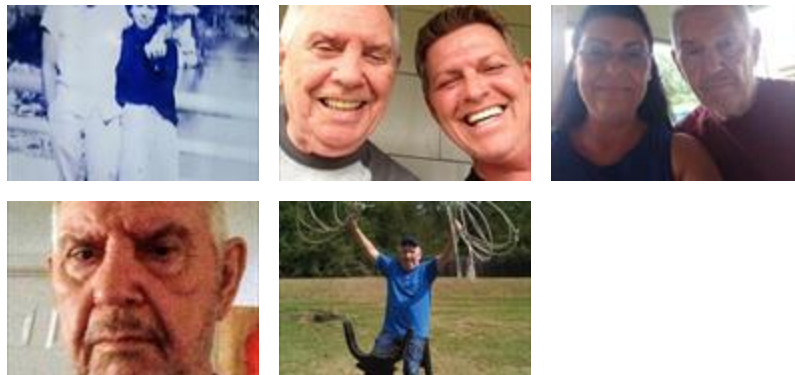

Love, Tracey Face
