“ Mark called me with the sad news about Uncle Lloyd. I did not have any contact numbers for the family---but know even tho we have not seen each other in soooooooooo long I do love all of you and pray for peace and comfort that only Jesus can give. I called Mike and him and I were going to come to the service. Uncle Lloyd was an awesome uncle. He sure did love his family and we all had some good times with him. Now you kids just have Aunt Maryann and I hope you get to spend alot of good times with her--it will ease all of your pain--cherish all the time and talk with you that you can.
