“ I remember Mrs. Baker from clear back in the early 60's when my Mom used to do her hair for her. After my Mom died, I actually fixed Mrs. Baker's hair for her until she found a new permanent hairdresser. Of course, I knew Mr. Baker and Eileen, too. After Mr. Baker died and then after that when Mrs. Anschutz died and I heard that Mrs. Baker married Mr. Anschutz, I thought that was a lovely result as I knew how committed they all were to education. She (and they) will be missed.
