“ *Mark (Sparky) lived next door to my family in Raytown & I sometimes got the pleasure to babysit him & Ronnie. He was a sweet & funny young man. I later got my first job working for his parents at the bowling alley snack bar for several years. Mark meant a lot to me! Just wish I could have been able to visit with him more! I will miss him a lot. Rest now my little friend & we will see each other again someday. Jean Matheny Price*
