“ I first met Kathy when she was fours old at City Park. Her parents, Barbara and Joe DeShepper, and my aunt and uncle square danced in the same club at the shelter house. I was about age 12 so I kind of baby-sat Kathy during the dances. Kathy was a beautiful little girl, always had beautiful dresses with her long brown hair in perfect finger curls. She was delightful without a care in the world! We lost contact a few years later after square dancing stopped. Sometime after high school Kathy and my brother were introduced and they fell in love. They had a most beautiful wedding at Blessed Sacrament Church. Of course Joe and Barb made sure absolutely everything was totally perfect! Not long after the wedding Kathy and Rod gave our families two beautiful babies, Rachelle and Joseph Charles. Struggles lied ahead for their little family but Kathy always gave unconditional love and care for her children and grandchildren for many years. Rachelle and J.C. your Mother's love will be in your hearts forever! Memories are forever! Often you will want to pick up your phone to call her but remember your hearts are still connected and you don't need a phonecall. Just talk to her. She still hears you!
