“ Mary Ann you will never be forgotten. I am going to miss your phone calls & hearing you tell me that you love me- those words will forever be within my heart. It still seems unreal that you are no longer here with us but I know that you are no longer alone any more & that Dad & Jesus are there with you keeping you safe. You are happy & free from pain now. I can imagine you singing in the choir with the angels & catching up with Dad on everything. Thank you little sis for loving me & my family always. You loved all your family & enjoyed each one of them. You hold a special place in our hearts forever. Every time I eat Mexican food I will think of you & how much you loved it & I will probably cry a tear or two for awhile but it will be with happy memories of you. I am sure you will be waiting to meet me at heavens gates when my day comes to leave this earth & you will have that big smile on your face & give me a hug & welcome me home. Rest in peace little sister, I will miss you.
