“ *My last memory- and it's been awhile- was when she took me out to dinner with Brooke. I was preparing to go teach in India after 4 years at HCA - so she took me to a restaurant that served Indian food - but it was Korma Sutra - and Brooke was worried that is was potentially awkward for a Christian school teacher. But it was a lovely evening with good food and great conversation. We had 'real' conversations - that night and at Panera etc - transparent and rich. Praying for you ladies ❤️* ”
