“ I knew mike for 37 years met him at Clements foods yes this guy was a dear friend we seemed to live in the same neighborhood for 25 years or so mike and I spent many a hour in my back yard working on tons of stuff if we went months without running into each other when we did we just picked up where we left off. I'm sorely saddened by him being gone mike my friend RIP brother only time can heal my sorrow after all you taught me so much about working on cars and how many times you helped me with taking a dime. GOOD BY OLE FRIEND. WOULDNT SAY IT TO YOU DIRECTLY BUT I LOVED AS A BROTHER AND SUM.
