“ Wow...so sad...I met Mike 30 plus years ago in Hibbing mn...when he sobered up we became fast friends...I was at his brief wedding...lasted 1 or 2 days and he came up north for my 50th bday...he was a good friend and I feel so bad about losing touch...God bless

“ I met Michael 6 yrs ago when I moved here. My first impression was Mike was a Grouchy Ole man!  
After getting to know him, I learnt Mike had a huge heart and would always help others. Mike always said: "That's what neighbors are for, to be there for each other."  
I will miss you Mike.  
RIP Michael, you were a good friend.

I knew Mike, better known to some as Irish Mike for the last 25 yrs thru AA. we shared alot of experiences together. He was a Great friend that had genuine concern for others. He showed up to everyone else's funerals. I wish I could have been there for him.
