MM

“ *The greatest gift my father left me was the pride in feeling the love I feel. He taught me to embrace, not hide myself. Never afraid to say I love you or shed a tear of joy with others. He was, is, the glue that holds us together.*

Dad, may the horns of victory carry your memory onward. Whatever I accomplish, whatever I feel, I remember you. To me you're not gone, just missed. I love you dad.

Michael Harrison McDaniel - April 04, 2019 at 12:14 PM
