“ A song that express my feelings at is time. The 90's and early 2000's with Mike McGrath wer remarkable times and now that he is gone...

*Really gonna miss you
It's really gonna be different without you
Time is gonna be hard and slow
For the rest of my life
I'm gonna be thinking about you, yes I am
Time came when you had to go*

[Chorus]

*I'll miss you, my buddy
I'll miss you, my friend
I promise my love for you will never end*

Rest in peace my friend, my buddy, my pal our neighbor Mike.

“ I have had the privilege of knowing Mike since when he first started working at Polsinelli. Through Mike, I learned about these wonderful people who populate “Mike’s Village”. You are a most generous and kind family. Mike deserved all of the kindness and love he could get. Caroline and I are sad that we were not able to travel to Kansas City for the memorial. God bless you all and I am so thankful to our Lord for the privilege of knowing Mike. Thank you for taking care of Mike, especially in this period of his last sickness. Peace to you all.
