“ Mr Leach,

One of a kind. I crossed paths with you only about a year ago and you have left incredible foot prints upon my heart. I loved you from the moment I went to meet you to talk about cleaning for you. The day my mother and I went to meet you and walked away thinking that we had just met one amazing individual. You truly blessed my life more than you will ever know. I know now that you have made it to your mansion above and you have two great legs, good health, no pain, your wife and I know that you have delivered that special message to my dad for me. Thank you for all that you shared with me in the short time that I had known you. You were truly a blessing in my life. I will always have a special place in my heart for you. I will always be reminded of you when I listen to country music and Martina McBride!! May you rest in peace. Much love Jodie
