“ A week ago, when I first got the news that my friend had passed, my mind was just flooded with things we talked about, laughed about, adventures we had. It is hard to believe I'll never have anymore of those 2 hour phone calls. RIP Nancy (Hagalina) Vera Hanks

“ Nancy will be missed here on Wyandotte. I remember visiting with her many times at neighborhood meetings, in Mario's over good eats, parking cars on Central Street for the neighborhood organization fundraiser during the Saint Patrick's Day Parade, and on other occasions through the years. Rest in Peace, Nancy. Blessings and sincere condolences to family, neighbors and friends.
