“ I am so sorry for the family loss. I used to work with her in the late 1980s to early 1990s at a plastics factory in Kansas City.

“ I am so sorry for your loss. I didn't know Naomi and I only met her a couple of times but I know through her grandchildren that she was a loving and caring person. She will live on in the memories of Anthony and Janise. A Grandmother's love never leaves you and is always there when you need strength or comfort. Take good care of yourselves Kiddos. Contact me if you need anything. All my love,
