Nicholas “Nick” William Vaughn, 40, passed away on July 27th, 2024, following a six-year battle with brain cancer.

Nick was born in McCook, Nebraska, on September 23, 1983. As a teen, he moved with his mother to Missouri and graduated from Truman High School in Independence, Missouri, in 2002. He went on to major in Journalism at Park University. Nick had a flourishing career in news and video production and was proud to have won three regional Emmy Awards.

In 2011, Nick met his future wife, Jessica (Ehlinger). The couple married in 2015 in a beautiful ceremony at the Longview Mansion in Lees Summit.
