

## Patrick Aloysius Giblin

January 30, 1967 - October 9, 2023

Patrick Aloysius Giblin (January 30, 1967- October 9th, 2023)

Patrick passed away unexpectedly on Monday, Oct 9th of a fatal coronary event. He was born in Loring, Maine in 1967 to Thomas and Mary Jo (Halbig) Giblin. Patrick grew up in midtown, Kansas City, Missouri and attended Visitation grade school and Hogan High School. He is preceded in death by his father, Thomas Giblin, and is survived by his wife Julie Schlickelman, his mother Mary Jo (Halbig) Giblin, sisters Suzanne Dawkins (Steve), Amy Giblin (Tom Wayne), Laura Giblin, Lisa Giblin Sutton (Curtis), brother Tony Giblin, many nieces and nephews, and important to him, his many friends he considered family.

As a child, he sang with the Pontifical Choir. He looked and sang like an angel (although, we all know better). Patrick worked at Torre's Pizza in Westport with family and friends for over 20 years. He then moved on to other establishments making friends everywhere along the way. Patrick made everyone laugh and smile. He had a tremendous sense of humor. He kept a light and happy heart no matter the day or situation. He was mechanically inclined. He could fix anything. He always, always, offered his help. He was an outstanding cook and an all star barbecuer. He was often called upon to cook

at events for others. A gift of his stellar barbecue rub was treasured by the recipient.

Patrick never met a stranger; his love and mirth touched many more than he realized. His family and the many friends who he considered family will miss him dearly.
