“ Phillip was a good friend of mine here at U-Haul. I started reading what everyone else has to say about him and it just warms my heart. He most definitely was a funny guy! He always made me laugh, especially every time I would walk up to him, and he would say "Hey Girl! You staying out of trouble?" He loved talking about his grandbabies. He would tell me about presents he would get them and such and then ask how my kids are as well. It makes me very happy that he got to meet my family, even though it was from bumping into each other at Walmart. Boy oh boy could he keep a conversation going. I think we all stood in that Walmart aisle blocking it for about 30 minutes before we all said goodbye!

“ I can't recall ever seeing uncle Phil when he didn't cracked up laughing. No matter if I was feeling down, he had the ability pick me up and put a one on my face. For the rest of my time here, everytime he comes to mind, I will smile through the ache in my heart that he isn't here. I love you uncle Phillip. I will truly miss you....especially the sound of your laughter. ❤️

I grew up with Daniel and Philip. My Brother's were good friends with the older Brother's. I am so sorry of the passing of Philip. We always sat across the street where I lived on 23rd st. The billboard was where we used to sit and talk. We were kids then but, have remained friends all our lives even though it was not very often we would see each other. I worked at Bendix and, Philip worked in salary there. I was so happy I got to see him there. Philip left Bendix after a while working there. I have never forgotten Philip or his Twin Daniel. Rest In Heavenly Peace Philip. I will always remember you.
