

RANDY TODD WELCH

February 25, 1963 - November 25, 2025

Randy Todd Welch, 62, passed away on November 25, 2025, leaving behind a life overflowing with love, laughter, and enough stories to keep his family laughing for years. Born on February 25, 1963, Randy lived with a big heart, a big smile, and an even bigger love for his people. He was the son of the late Edward Welch (Martha) and of Sandy Welch (late Terry Silvius).

On August 9, 2011, Randy married the love of his life, Alisa Welch. Together, they built a marriage full of adventures, road trips, inside jokes, and the kind of steady partnership everyone hopes for. He was a devoted dad to Ashley Logan (Eric) and Nathan Beckett (Rebekah), and an even more devoted Pa to his grandsons David, Conner, and Zeke.

He graduated from Hickman High School in 1981 and later attended Missouri Western State University. Randy went on to work as an Area Director for BNI and as a representative for Scentsy, making friends everywhere he went. He had a way of turning strangers into friends and friends into lifelong family. Whether he was cheering someone on, offering advice, or cracking a perfectly timed joke, Randy made people feel supported, valued, and at home.

And, of course—if you knew Randy, you knew this—life completely paused when the Chiefs or Royals were playing. Dinners could wait. Chores could wait. Conversations could wait. If Kansas City was on TV, Randy was

cheering, pacing, celebrating, or yelling like the players were definitely listening to him.

Randy made the world lighter and brighter for everyone lucky enough to know him. His kindness, humor, and love for his family will continue to shine in all the lives he touched.

A Celebration of Life will be held on December 27, 2025, at 6:00 PM at the Blue Springs Elk Lodge #2509, 100 NE Brizendine Rd, Blue Springs, MO 64014. We'll honor him with stories, laughter, and plenty of good memories—just the way Randy would want.

“ For 13 years he was my friend, mentor, & encourager. He loved serving people and doing anything he could to help them. Through BNI our relationship deepened and we found ourselves understanding what true teamwork should be. I love you buddy!

Randy always had a smile and kind words to say when you first talk with him. We met in 7th grade at Ervin Jr. High. I'm so glad he met the love of his life we all wish his life wasn't so short. Randy will be watching over his family from above.
