“ *Where do I begin...my dad was the light of my life. My hero. My memories were taking off his shoes after a hard days of work. My daddy watching over me every step I took. I have so many great memories of my father. I can't tell you how much I await to see him again. The moment I can hold his hand and rub his face. And tell him how much I loved him as he loved us! Until I see you again daddy! I love you and and now you're with me in my journey! You were my world! I miss you greatly...you're legend lives on Boo Boo!*

“ Words cannot express how much I will miss you, you were always the comic of our family and continued to be as an adult. I remember you teaching me to ride that yellow dirt bike. You are in God's arms now and we will see you again with mom and dad.

“ *My brother Dal (Boo Boo) is special to me. I know he can't call me and I can't call him no more as we did, sometimes we would argue but most of time we didn't, I didn't mind taking him to doctors or shopping or just going to eat. You will forever be loved and missed. I will forever hold you in my heart.*
