“ Becky was such a beautiful soul! It's no wonder she worked with people she trained me at welborn what fun we had! We would talk for three hours at a time. She said she would never not answer the phone when I called by golly she always answered!. I loved helping her with tacos on Tuesday!!! They were the best. Watched the boys grow up. Rest in peace my beautiful friend! There's so much more wonderful that could be said. My heart goes out to the family.
