“ I met Rob when he was about 21 years old, we worked together. He was always so happy and funny and willing to do whatever I needed. In those few years I got to know him pretty well, we spent a fair amount of time together. I knew a young man with a great sense of humor, a big smile, and a good work ethic. Rob had a kind heart and was also introspective and quiet at times. He will be missed terribly by everyone who had the privilege to know him.
