“ *When i met Robbie, I didnt know how to take him. He was a smooth talker. Very intelligent. And very kind. He liked to flirt, but in a kind way. My husband and I spent alot of time with Robbie and grew to love him like family. We were so so devistated to hear what happened. We still cant beleive it. It broke our hearts in two. He was with us a few hours earlier that day. We will miss him Dearly. We think about him every day. He was a good good man. RIP DEAR FRIEND. Jim N Vic Russell*
