“ *Lorretta and family . for me remembering Ronnie is remembering a kind and gentle man who had a certain gentleness when he spoke. I never ran into him , either at 4th of July or Larry's that he was not always respectful and friendly. I am truly sorry God has given you all this burden but remember He is also there to lift you up and carry you through this darkness. Praying for all of you with love.*

“ I'll always miss you uncle ron. I have caught myself at night not sleeping because it hasn't really hit me your truly gone. I'm sorry I didn't say goodbye, it's something I'll probably regret my entire life but I couldn't get myself to do it. I hate goodbyes, they just aren't fair. I know your resting easy, until we meet again..

It's crazy I just saw you so healthy and everything two weeks ago going down the street.. little did I know that would be my last hearing from you.. wish I would have known..
