“ *Russel when you were just a little boy you gave up your bedroom for me for one night --but it turned into a weekend --- so I could sleep. Your cousin Bill and I came to visit and we stayed a few days! We had a cook out with your mom and sister and then you said I could sleep in your bed and you slept on the couch. I will never forget your smile, the love you had in your heart for life and family, and your kindness. You are going to be missed. We love you from our hearts to you in Heaven. Rest in peace. No more sickness and no more pains. We will see you again.*
