

Russell Scott Green

March 21, 1968 - March 23, 2024

Scott Green, 56, of Liberty, MO passed away at home after a grueling battle against colon cancer on 03/23/2024. He was born in Montana in 1968 to Barbara Denno and George Green and moved around frequently during his formative years. Scott attended an IT technical Institute before starting his career at The Associated Press,, where he worked loyally for 35 years.

Scott is survived by his loving wife of 28 years, Faye and their children: Jack, Sarah and William "Scott" Green. He created a lasting legacy in the running community. His contributions, kindness and continued dedication to running- as well as the returned support from the runners-will forever be remembered. The B.E.A.R.D. 5K/10K will be held annually in March in Scott's honor.

A celebration of life will be held in early May, details will be announced.
