

Saskia Celeste Craig

August 4, 1976 - April 28, 2019

Saskia Craig, (Saskia Janner) of Holden Missouri passed away on April 28. She was surrounded by her family.

Saskia, was the most wonderful, caring, loyal and beautiful person we had the chance and privilege to know. She was able to forgive anyone, even when they were unable to forgive themselves. She had such strength of mind and soul. We all lost a beautiful soul when she left this world.

Her last words of advice were: To live life to the fullest, make mistakes, and take chances because you only live once. It was her firm belief that everything happens for a reason. No regrets.

She leaves behind James Craig her husband of 20 yrs, daughter Sydney Craig, mother Shirley Gibson, sister Sky Buletti, brother in law Jeremy Buletti, nieces Sunshine Buletti and Layla Buletti, sister Daphyne Sapp and nephews Preston, Dylan, Brendon, and JJ. Her extended family, which includes her bro in law's Thomas Craig, Danny and Carl Moore. Plus a multitude of friends.

We were so lucky to have her in our lives. She was our rock, our reasoning, and our secret weapon when it came to dealing with difficult situations. We loved her so much and always will. She is deeply missed.
