

## Savonte Thomas

July 13, 1991 - December 19, 2023

Savonte Thomas was born July 13, 1991 and raised in Kansas City Missouri by his parents Cherrie D Thomas and Donald Carter Jr.

He loved to cook, studying in the UMKC culinary program following high school. He never missed a good "Chief Session" or a chance to gather with his close friends and family.

He loved to fish, loved sports , and was a KC Chiefs fan.

He represented & loved his City but also loved to travel. Tay had a great work ethic and always made an impression on people wherever he went.

His doctors & dialysis team absolutely loved him.

Following a stroke in May of 2023, he suffered from several medical complications including Diabetes and Renal Failure. At times he found it difficult to make the best decisions for his health, but he fought as hard as he could and always tried to keep his spiritual relationship with God. Though he lost his battle, we will always carry him with us.

Please don't take your family for granted. Take every opportunity to love each other , especially in the difficult times.

Savonte was proceeded in death by his Mother, Cherrie D Thomas-Bolden and his stepfather Reginald Bolden and a host of other close family members. He is survived by his father Donald Carter Jr., and his siblings Kesha Thomas, Ryan Carter, Dana "LD" Moye Jr., Cesalee Carter and York Carter.

“ *As part of his dialysis team, I am honored to have been involved in taking care of him; as well as, the enjoyment of getting to know him. He was always polite, had the best manners and a smile on his face. We all miss him.*
