

Scott Haydin Crain

December 23, 1957 - September 6, 2025

Scott Haydin Crain, born December 23, 1957 and went to Heaven on September 6, 2025 with every bit of fight left in him. Scott was an Army veteran, Sgt. of Radio Teletype Operations. He retires from being an HVAC technician of over 35 years and a very strong will man that was determined to succeed, no matter the obstacles.

Gunsmoke, Bonanza and Rifleman, his mom's spaghetti and meatballs and road trips to "new to us" restaurants. Hanging out in the garage with budweiser and friends and rides on his Harley's were some of Scott's favorite things. Scott loved nothing more than his wife, spending time with his family, whom he loved all very much and bragging about his kids and grandson. He had a great sense of humor from jokes to sarcasm and scaring people. Scott knew how to make you laugh. He was one of the calmest people you could ever meet. "It is what it is" was Scott's way of living life and making sure his family and friends were taken care of and safe. Even for complete strangers, in 2016 he was recognized by the city of Overland Park Public Safety Committee for his quick thinking and efforts in saving someone from committing suicide. Scott had a big heart and is loved by so many and will forever be missed.

He is preceded in death by his father, Charles Crain; mother, Emily Harkins; step father, Paul Harkins and son, Travis Michael. Scott is survived by his

loving wife, Janet; daughters, Nikki Crain (Tim Proctor), Brandi Calvert and Kayla Schneider (Jesse); grandson, Grayson Michael; sisters, Jacki Turner (Jack), Marci Crain and Paula Harkins; brothers, Rusty Crain, Joe Harkins (Jennifer) as well as numerous nieces, nephews, cousins and friends for whom he always had a place in his heart for.

“ I worked with Scott for quite a few years in the HVAC business. He always knew where the good neighborhood places to eat lunch were at. I remember he liked a place called “Mad Jacks Fish” at 13th and State Avenue in KC KS. I enjoyed working with Scott and getting to know him. We’ll all miss him and his sense of humor.

“ *RIP to one of the best brothers ever. How many times did he make the trip out to where we live to fix our air conditioner? He always had a sarcastic remark that would make you laugh. He will be sorely missed by me and my husband Jack and his family and friends. He will never be forgotten.*
