

Scott Edward Williquette

February 27, 1961 - August 26, 2019

Scott Edward Williquette passed away at North Kansas City Hospital on Tuesday, August 27th at the age of 58. While his physical limitations often impacted his abilities to get around, Scott always had a strong work ethic and found a great deal of satisfaction in working whenever possible. Most recently, he was helping several landscapers during their busy season, driving equipment from one site to the next, and had hoped to get a little business started on the side, as he had in the past.

Scott was a true country boy at heart and his family will be honoring that love by scattering his ashes near Branson, MO and the waters near there, where he loved to take his boat and enjoy the outdoors. He is survived by his mother, sister, nephew, aunts, uncles, and cousins who are comforted to know he is finally resting in peace.

The daily bible verse we received the day after Scott passed gives us great comfort, and so we share it here as a reminder of the peace we know he will be experiencing from this day forward:

"He will wipe all tears from their eyes, and there will be no more death, suffering, crying, or pain. These things of the past are gone forever."

Revelation 21:4 CEVDCI
