“ My Prayers are with her Children and her Family. She was the most amazing and loving Sister in Law. She was always there to lend a helping hand to anyone family or anyone. I remember when she took my children her nieces and nephews to the Circus they would not stop telling me about how much fun they had with their Aunt Sharon. She bought them these light up toys that made noises so they played with them for hrs. And when she took them to the Elms. They said they loved it going to the hot tub and to the pool. We all Loved her So Much. She was an amazing cook. We all loved going to her house for the Holidays. She will always be in our Hearts. And will be truly missed.I know she is up there with her sisters and brothers and her Mother.I really loved being a part of the Family. Love Kathy Oriley.

“ Prayers and hugs to the family. So sorry for your loss. I considered Sharon a good and loving friend. She and I sat, talked and laughed many times during yard sales on 78th Street. She had a great personality, and was always smiling and telling me a joke. She will be missed by many....
