“ *The best nanny me and my kiddos could ask for. She used to color with Karina all the time. But according to Karina she wasn't coloring right, but that never stopped her. Spending an ENTIRE summer at her house eating Velveeta mac&cheese cups, watching the ID channel, painting the house. And making all her photo albums. Late summer evenings dancing in the garage and playing pool, after being in the sun all.day. so many memories with such a beautiful woman. Forever loved. Forever cherished. Forever missed.*

“ *I am so sorry to hear of Sherri's passing. Sherri and Terri are my childhood friends. I spent a lot of time at the Rhodes home growing up. Mrs. Rhodes was a second mom. I am thankful for the friendship I had with the Rhodes family. Praying your memories will comfort you during this most difficult time.*

“ I have so many wonderful memories with Aunt Sherri. From her telling us that it's because she loved us why we couldn't get in the pool when the chemicals weren't just right, or when she would scowl at us from the front of the van because I was squeaking my straw in the Sonic styrofoam cup and poked a hole in it, or singing loudly to Juice Newton and Linda Ronstadt, or when she would take us to the drive-in theater... One of my fondest memories is after my parents moved to Tennessee. I was heading into class at Longview College and suddenly became very homesick for my mom. I walked back to my car and the first place I went was to see Aunt Sherri. My heart is sad and happy thinking about her. I send huge love and hugs to my awesome cousins. Jena Barker
